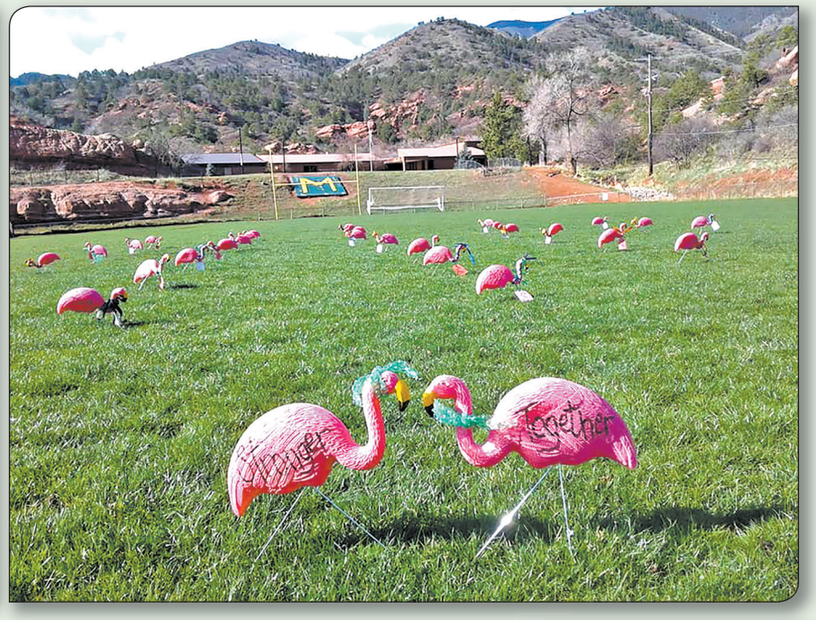
MANITOU SPRINGS SCHOOL DISTRICT 14

GO MUSTANGS!

MANITOU SPRINGS ELEMENTARY SCHOOL • UTE PASS ELEMENTARY SCHOOL • MANITOU SPRINGS MIDDLE SCHOOL • MANITOU SPRINGS HIGH SCHOOL

MSSD14's remote learning and more …



REMINDERS

District 14 still offers grab-and-go food services weekdays and regular updates on COVID-19 issues on our website. D14 continues to offer free meals to any family with children ages 2 to 18 from 11 a.m. to noon, Monday through Friday, at Manitou Springs High School and Ute Pass Elementary School. The district also offers regularly updated information about issues related to COVID-19 from reliable sources at https://mssd14.org/cms/One.aspx?portalId=57448&pageId=27128586.

Pictured clockwise from top left: Flamingos adorn the MSHS marquee and the grass of Richardson Field. On the flamingos are the names of all the MSHS seniors. Amanda Kerrigan, MSHS English teacher, organized the display. Preschooler Ben M. made Earth Day cookies as part of a STEM activity. During Mrs. Carter's MSES first grade remote Earth Day meeting, the class spells out, "Happy Earth Day!!" The Manitou Service Corps is offering 3D-printed masks at MSES Mondays and Tuesdays if anyone is in need. MSC advisor and MSES TEAMS Teacher Amy Bradbury has been printing the masks using the printers from the tech lab at MSES!
