

EMPOWER

"The most helpful part was showing how someone's life can change by doing something small. . ."

- Empower Youth Program student

Exploitation Prevention in Schools and Youth Service Programs

You are invited to attend a workshop hosted by Unveiled ministry and featuring [The Empower Youth Program](#), iEmpathize's innovative exploitation prevention programming for youth in 7th grade and up. Highlights include:

- An introduction to exploitation prevention strategies, including empathy, pushes and pulls, disguises, positive pull plans, and response protocols.
- A preview of The Empower Youth Program, iEmpathize's prevention resource.
- Tips and best practices for implementing the program with youth.
- Strategies to promote this program within your school, network, or community.

Guest Speaker: Candace Joice, Education Director at iEmpathize
and author of [The Empower Youth Program](#)
