

The After School Program–Winter 2011

It's time to sign up for our winter session of TAP. We have four to eight weeks of great after school enrichment classes! Please remember that classes are limited in size and fill up very quickly on a first come, first served basis. Dates, times and fees will vary so please read the information carefully. Scholarships are available for families with a financial need, however, we do request that all families pay a materials fee (if noted by the class).

Monday

Discovering Yoga – Jan. 24, 31, Feb. 7, 14, 28, Mar. 7, 14 (7 week class)

Yoga is a wonderful way to live a Happy, Healthy and Peaceful life, benefitting both individuals and our world. Let's come together as we become more aware of our breath. When we become more grounded on the inside, extraordinary things can happen on the outside. We'll use our creativity and imagination while strengthening our minds and bodies. Children in kindergarten through 5th grade are encouraged to join and create positive energy to live a more balanced life.

Instructor: Jeanie Jungbauer **Gr:** K-5 **Fee:** \$35.00 **Time:** 3:40-4:40

Parlez Vous Français, Y'all! – Jan. 24, 31, Feb. 7, 14, 28, Mar. 7, 14 (7 week class)

French with a Cajun twist! Learn French basics (some through Muzzy!) with Madame Marquardt while exploring our own Louisiana Bayou country. We will taste French and Cajun-style food and cuisine! On the last class, we set up a Cajun Cafe! For the last half of class, parents and families are welcome to come and taste, too! "Laissez les bon temps roulez!"... Let the good times roll! (We base our food off of Jerry's Cajun Cafe in Pensacola, Florida. An option to purchase t-shirts from that restaurant will be made available. cost approximately \$17-\$19).

Instructor: Christi Marquardt **Gr:** 3-5 **Fee:** \$42.00 (includes \$7.00 materials fee) **Time:** 3:40-4:40

Tuesday

Radical Reaction Lab – Feb. 8, 15, 22, Mar. 1, 8 (5 week class)

Enter our reaction lab and you will be transformed into a chemist! Create chemical concoctions that fizz, bubble and ooze. Make your own bouncing super ball and much more. If you like mixing things up, then come get radical in our lab!

Instructor: Science Matters **Gr:** K-5 **Fee:** \$48.00 (includes \$10.00 materials fee) **Time:** 3:40-4:40

Wednesday

Creative Voice – Jan. 26, Feb. 2, 9, 16, 23, Mar. 2, 9, 16 (7 week class)

Use your imagination as you visualize music, like water, flowing through you, finding its outlet as YOUR GREAT BIG VOICE! We'll use creative movement, visualization, and fun exercises to learn proper breathing and vocal warm-ups. Set your songbird free! Be sure to bring a water bottle.

Instructor: Fairlight Jruhmz **Gr:** K-5 **Fee:** \$35.00 **Time:** 3:40-4:40

Destination Imagination continues for registered students on the following dates: Jan. 12, 19, 26, Feb. 2, 9, 16, 23, Mar. 2 (8 week class)

Thursday

What Can you Build? – Feb. 24, Mar. 3, 10, 17 (4 weeks)

Come join us for construction play! In this TAP class, your imagination is let loose to explore endless possible creations with LEGO and K'nex building materials. Create your own buildings, vehicles, spaceships and more. We will all be teachers and students in this class - and the only goal is to have fun!

Instructor: Lynette Melnar **Gr:** K-3 **Fee:** \$30.00 (includes \$10.00 materials fee) **Time:** 3:40-4:40
