MSSD 14 PowerSchool Parent Portal Mobile App for Android and Apple Devices

The PowerSchool Parent Portal

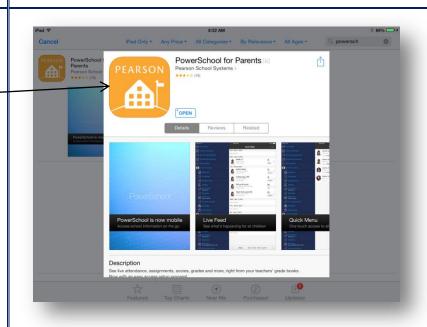

allows parents and guardians to view and stay up to date with real time information about student's assignments, grades and attendance. The Parent Portal is available for middle & high school students only.

You may access the PowerSchool / Parent Portal by entering the web address at the right or by choosing the PowerSchool link on the district home page at http://www.mssd14.org.

You may also download the free app **PowerSchool for Parents** for Apple and Android mobile devices.

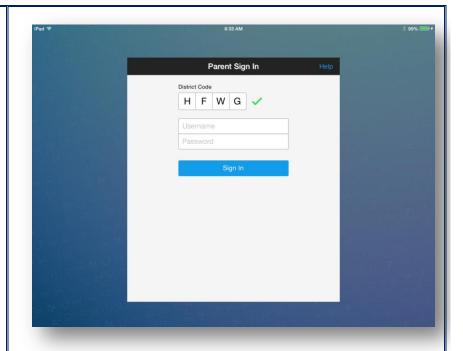

- Go to the App Store on your mobile device and search for PowerSchool for Parents.
- Download the <u>free</u> mobile app onto your device.

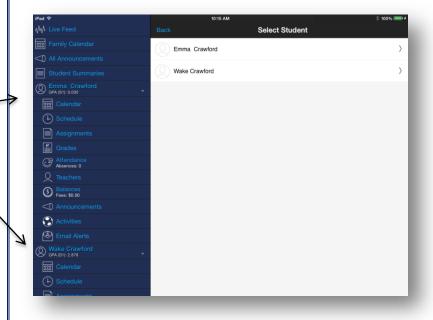

• Enter your username and password that you setup in the *online* parent portal.

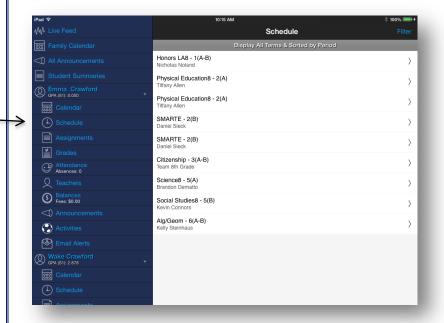

Note: If you have not created a username and password you will need to setup your account via the online PowerSchool Parent Portal. Please see the PowerSchool Parent Guides for *Parent Single Sign-On & Parent Portal* before downloading and using the mobile app.

 The main menu screen will be a current/live feed of information from PowerSchool for all of your students that you entered in the online parent portal.

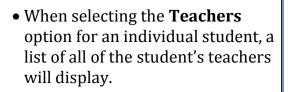

- To view information about each student individually, select from the choices on the left side of the screen under each student's name.

 - Email Alerts

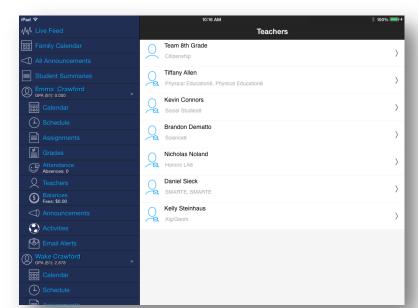

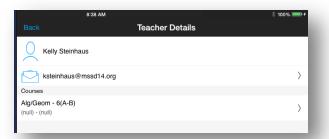

- While the information is real time, it is based on when teachers enter assignment's & grades into their Gradebook (syncs with PowerSchool), which may not occur daily.
- Attendance is updated every block that attendance is taken.
- To understand what the *Attendance Codes* mean, click on the legend button on the bottom of the screen.

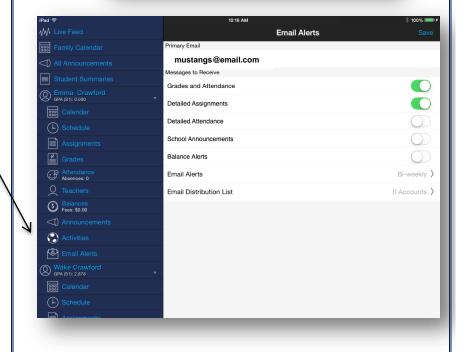

Click a name to see more details.
 Displayed will be the course the teacher teaches, as well as an email link to contact them if you have questions or concerns about your student in their class.

- Choose Email Alerts to setup or change email notifications with grade and attendance information for an individual student.
- Click **Save** when you are done updating.

Note: Email alerts can only be sent separately for each student.
