Lasik and PRK procedures

Members receive substantial reductions when procedures are done by network providers.

Members can expect to pay no more than \$1,800 per eye for conventional Lasik procedures and \$2,300 per eye for custom Lasik or they can use designated TLC Vision Lasik Advantage Centers that have the following fixed prices:

• Conventional Lasik	\$895 per eye
• Custom Lasik	\$1,295 per eye
• Custom Lasik with IntraLase	\$1,895 per eye

How does the wholesale frame allowance work?

Benefits include a wholesale frame allowance. If the wholesale cost exceeds the frame allowance, members pay twice the wholesale difference. They never pay full retail.

Retail price***	Wholesale price	Wholesale allowance	Member pays	Savings
\$90-\$135	\$45	\$45	\$0	\$90-\$180
\$150-\$225	\$75	\$45	\$60 (\$75-\$45=\$30x2=\$60)	\$90-\$165

* The contact lens allowance applies to professional services (evaluation and fitting fee) and materials. Members receive a 15% discount on professional services. The discount for professional services is available for 12 months after the covered eye exam.

** Frequency based on date of service

*** Retail costs may differ and are based on two to three times the wholesale cost. Actual savings may vary.

Additional plan discounts

- Members receive additional fixed copayments on lens options including: anti-reflective and scratch-resistant coatings.
- Members also receive a 20% retail discount on a second pair of eyeglasses. This discount is available for 12 months after the covered eye exam and available through the VCP network provider who sold the initial pair of eyeglasses.
- After copay, standard polycarbonate available at no charge for dependents less than 19 years old.
