

6-12 PAC Minutes 10/28/2020

Attendees:

Coralyn Gauvin, Dustin Cady, Megan Schulze, Christy Davis, Sela Spencer

Old Business:

- Megan motioned to approve September minutes. Approved.

New Business:

- MSMS update (Dustin Cady)
 - Looking forward to parent involvement via a Parent Run PAC
 - Recently had a donation of 8 picnic tables to the outdoor area. These are getting a lot of use. Would like to get a covering for these, and possibly some additional tables.
 - For a big project idea, would like to get an electronic Marquee. The HS would also like one.
 - Would like PAC to help make school Fun. Idea to have a monthly snack break to boost morale. Could be popcorn, hot cocoa/cider, etc.
- MSHS update (Jesse Hull)
 - Jesse was not available, so including his ideas again from last time:
 - Some ideas for possible support from PAC include materials for instructional needs, support for Student Council / school culture, snacks for testing, support for graduating class activities. Electronic Marquee.
- Treasury Report (Coralyn)
 - No change from last time. Current balance in PAC account is \$5097.06
- Vote for new officers - all nominations Approved:
 - Chair: Coralyn Gauvin
 - CoChair: Sela Spencer
 - Secretary: Susan Taylor
 - Treasurer: Megan Schulze
- Formed Committee to refresh Bylaws: Coralyn, Sela, Megan
- Fundraising Brainstorm:
 - Food box + Zoom - local Chef puts together a box of ingredients and a Zoom class. People buy the box and cook along. Christy to investigate.
 - Greeting Cards - Sela suggested Usborne Books card fundraiser. Box of 30 cards sells for \$30 and returns \$13 to the school. This would be a one time fundraiser to replace Silent Auction revenue.
 - Spirit Store - T-Shirts, hoodies, etc. Folks would preorder from a web store, and items would be delivered to school. Coralyn to investigate.
 - Bricks - Coralyn to find info from when we researched this 2 years ago. Dustin to investigate where Bricks could be put. This is a good fundraiser to raise larger sums.
 - Book Sale for Spring. Megan wants to organize this. Will talk to Christy for notes/ideas from last time.

- Projects Brainstorm:
 - Big project - want to get Marquees for both MS and HS.
 - MSES PAC bought theirs in 2014 from Stewart Signs for \$8500, and paid \$903 to install. Costs are likely higher now. Should plan to raise \$25000.
 - Will likely be a multi year fundraising effort
 - Should see if we can get a discount if we order 2 together.
 - Smaller projects - Need to pick something to show PAC involvement while fundraising for marquees
 - Brainstorm more on this next time
 - MSMS Popcorn Party or Hot Cocoa Party - sometime soon
 - MSHS TBD - want to do something fun for HS students too
- Next Meeting Dec 2
 - We are moving meetings to the 1st Wednesday of the month since 4th Wednesday has many conflicts (Thanksgiving, Winter Break, Spring Break).
