

Minutes

6-12 PAC Meeting

MSSD 14

12/2/2020

In attendance:

Coralyn Gauvin, Gisela Spencer, Megan Schulze, Susan Taylor
Jesse Hull, Dustin Cady

Motion to Approve minutes for 10/28/20 meeting Passed

MSMS - Dustin Cady

Reflecting on the first fundraiser and more communication might have moved more.
Lynda ordered supplies for popcorn and we can celebrate the kids

Treasurer Report By Megan Schulze, PAC Treasurer

Confirmed balance - \$5097.06

Income from Spirit Sale - \$203.32 (Pending Deposit)

Current Balance - \$5300.38 (Pending Deposit)

Jesse Hull asked about where the previous balance came from

Coralyn explained some of the past fundraising efforts

Jesse asked how taking this money is fair to the middle school

We as a group discussed how the kids flow from MSMS to MSHS

Things that are done to benefit the High School will benefit the Middle Schoolers when they get there.

Spirit Wear Update

20 people made multiple orders.

We think we could do better marketing it going forward

We worked on a tight timeline (10-12 days total)

Coralyn detailed the sales process

If we do it again in the spring - we should do it for the full two weeks

Getting the funds from vendor.

The clothing will be here in two weeks.

Projects in 2020-21

We want to raise funds for the Marquees.

MSES's cost \$8500.in 2014 plus \$903 for installation

With inflation we think this we should fundraise \$25,000 over multiple years for

Marquees at both the Middle and High Schools

Fundraising works better when tied to a project

Smaller Projects

Support MSMS Popcorn or Hot Cocoa Party. Dates TBD

It never worked out because grades were in quarantine

We directed Lynda to get supplies so it's ready when all of the students are in the building

Megan said she needs to know when supplies are purchased for her balances in treasury

Jesse Hull - Small Project Request for High School

We have done different things over the years at the start of school.

Smoothie Day on testing days *

* Since the meeting PAC has agreed to split the price of a
return to School in January smoothie day. Cost \$300 for both schools

Looking to split the costs with PHC

Our kids like popcorn and hot cocoa too

And we should have a celebration when we have kids back in the building

School starts on January 8. Break it up for the two Cohorts

Perhaps even stickers

Stickers

Susan Taylor will research stickers for back to school

Since the meeting we have researched cost of producing 1000 sticker

For both MSMS and MSHS. For a 4" Square Sticker full color - \$136.84 + \$22 shipping

Logo

Susan can do a logo for the 6-12 PAC logo

Holiday Appreciation for the Teachers

In the elementary school we did a potluck for the teachers

Donating the food from households not a good option during Covid

The middle school made Christmas Gift Socks for the teachers

Staff

MSMS - 40

MSHS - 60

K-Cups

It would be a good gesture on PACs part to do something

Jesse Hull - Bagels from Einsteins and Boxes of Coffee

Coralyn suggested the idea of a K-Cup Machine and supply with coffee

Sela said she knows where to get the K-cup Machine at a discount

Voted to get K-cups

Sela said \$150 for the bigger machine - not an industrial strength one

She'll get a price for a bigger one on Amazon \$160

Then ask for K-cups on donation

Fundraisers

We only want to do a few fundraiser's a year
The Spirit store should be 2-3x a year

Book Fair (Megan) Christy's success -- getting a coordination might not work in Covid. Wanted feedback on this.

Table it until next school year. - Spring 2022

Dustin - have it ready for Registraion - built in population (August 2021)

Brick Fundraiser

Polar Engraving (information below from Jauary 2018)

	4x8	8x8	12x12
Cost to us	\$17.50	\$25.50	\$46.50
Adder for picture/logo	\$6.00	\$6.00	\$6.00
Recommended Selling \$	\$100.00	\$250.00	\$500.00
PAC proposed selling \$	\$50.00	\$100.00	\$200.00
PAC proposed w/pic \$	\$60.00	\$115.00	\$225.00
Profit no pic	\$32.50	\$74.50	\$153.50
Profit w/ pic	\$36.50	\$83.50	\$172.50

Delivery is free on 5 or more bricks per size.

We could get blank ones too for filler, and can submit several orders over multiple years (phase 1, phase 2, etc.).

Prices may have increased since this were obtained in 2018

There was an issue with D14 not wanting the PAC to have a PayPal account which tabled this in 2018. Decided to Table due to costs and where to place the bricks at this point

Above prices might have changed

Food Box

Christy spoke to Adam's Mountain Cafe - said not a good time to do it.

Susan offered to do a baking class from her Eastholme Bed & Breakfast.

Survey Monkey

How the parent population can do to support the PAC. What they do for a living.... Etc
