Minutes from 2/3/2021 meeting - Reviewed & Approved

Dustin Cady
Middle School Principal

Keurig is the gift that keeps on giving. However, starting to run low on K-Cups
Good to have kids back on campus
Teacher Appreciation week coming up- May 3 - Can we come up with something for that -
Coralyn "We'll do something for Teacher Appreciation"

Jesse Hull
High School Principal

I'll second that with the Keurig. With the Keurig it has sparked interest in a room off the library where we
keep it. We have K-cups and snacks and people hanging out there now
Teachers are super appreciative of that
It's really nice to have students on site

We're on the downhill slide of the Covid Marathon. Starting to see good instruction with the kids in front
of the teachers. I feel a positive vibe in the high school

Teacher Appreciation - Miss Wendy has creative ideas. I'll let her know that PAC wants to be involved

Treasurer Report

Current Balance	\$5788.46 *
Feb 2021 Income	\$ 498.00
Began with:	\$5290.46

* Expenses not showing - Keurigs for Teachers Holiday. Smoothie Party for Students

There is a pending question regarding Taxes on Fundraising Donations. We expect donations not to be
taxed. Taxes were taken out of our Spirit Wear donations. Taxes have not yet been taken out of our
Cards Fundraiser. The auditors have gotten stricter with what they will accept as documentation.
Lynda is working with the vendors to get documentation that will satisfy the auditors and make the
donations non-taxable.

All future fundraisers should be cleared in advance with Suzi Thomposon (District Finance).

PHC might be able to do that as a partnership

Sela and Coralyn started researching that 2-3 years ago - Using an outside company or doing it ourselves

Had enthusiasm from Ron Hamilton (former Middle School Principal)

I am hopeful next year we can do a color run

PHC - Don't hesitate to reach out to us on anything healthy

Elementary did their Fun Run on a Saturday 9 to noon

Moved it to a weekday and it got more student participation but less family participation
