**Treasurer Report**

Meeting started without a Treasurer - Presented by Coralyn Gauvin

Began with: \$5097.06

Expenses \$ 716.90

Income (thus far) \$ 684.83

Available Balance \$5064.9

\* Some expenses not showing - Keurigs for Teachers Holiday. Smoothie Party for Students

There is a pending question regarding Taxes on Fundraising Donations. We expect donations not to be taxed. Taxes were taken out of our Spirit Wear donations. Taxes have not yet been taken out of our Cards Fundraiser. The auditors have gotten stricter with what they will accept as documentation. Lynda is working with the vendors to get documentation that will satisfy the auditors and make the donations non-taxable.

All future fundraisers should be cleared in advance with Suzi Thomposon (District Finance).

**PAC Election**

Stephanie Courson-Olenick nominated and elected as Treasurer

## **Projects**

### **Popcorn Parties**

The PAC presented each school with a popcorn party

The parties did not cost a lot of money but were a lot of work

Need more volunteers next time

It took 3 hours to pop the popcorn for each school

High School - popped 350 bags (had some leftove)

Want to thank Mrs Navarre Talbot and Angie Glass for their help

2/3 of the unpoped kernels leftover so next Popcorn Party will cost \$0

### **End of Year Party**

Popcorn?

Popsicles?

Street Carnival - can this be done with Pandemic?

Snow Cones?

Review with Dustin and Jesse what the schools have planned for end of year

### **Teacher Appreciation**

We gave the teachers Keurig machines for the Holidays

Send Keurig K-Cups for Teacher Appreciation
