Manitou Springs D14 Families, Students, and Staff,

The D14 Board of Education has heard the voices of those who are concerned about the recent turnover of district administrators. We understand that this feels uncomfortable and unstable for some of our stakeholders. We have discussed the circumstances of each situation and are confident that these independent incidences were based on the individual's separate and unique decisions.

We, the Board, are committed to ensuring the recruitment, hiring, and retention of the most qualified leaders for D14. Students' success and staff well-being is our utmost priority. We appreciate the opportunity to seek out leaders who will carry forth our Core Values. Only together can we continue to make MSSD 14 the best place for kids.

Our confidence in the leadership of our Superintendent Dr. Elizabeth Domangue remains strong as she leads us through uncertain times with courage and optimism.

Thank you for reaching out to us and being an engaged, positive community.

Serving you,

The Manitou Springs School District 14 Board of Education
